Subject: 2007 Reclamation Activities, Kennecott Utah Copper Corporation (KUC),
Bingham Pit, M/035/002, Salt Lake County, Utah

Dear McGowan-Jackson:

Thank you for providing the Division with KUC's plan for experimentations and reclamation activities for 2007 according to obligations required by the 1978 Mined Land Reclamation Contract. The Division is interested in the store and release cover design experimentation to segregate low to non-acid generating waste rock for use in final reclamation. We would like more detail on this experimentation when we meet in the near future.

The Division appreciates Kennecott's efforts to keep us informed of ongoing activities occurring at the mine site. If you have any questions concerning this correspondence, please contact me at (801) 538-5258.

Sincerely,
